**Revocation of Power of Attorney, Verification of file status**

Assistant Commissioner for Patents  
Washington, DC 20231

June 16, 2003

Dear Sir:

Please file the attached PTO/SB/82 (05-03) Revocation of Power of Attorney form, assigning myself in representation of this application.

This is made in addition to statements in this matter made in the past and according to which you acted until the submission of the appeal brief.

May I remind you that on my November 23, 2001 reply to the first office action I clearly stated that the response was composed and delivered by myself, being the inventor – not by an attorney.

You accepted my self-representation and responded to my reply to the office action.

Correspondence address remained with Eitan-Pearl as I was out of the country and their office address was used as a mail-stop for the correspondence.

On July 9, 2002 I replied to the second office action, again representing myself as the inventor. This representation was also accepted by yourself, making a second representation of the status of this file: accepting the inventor being the valid correspondent for this application.

Address change was filed on August 22, 2002 to my present address, right after my return to Israel and no further need for the Eitan-Pearl mailing post.

On your February 10, 2002 you sent a letter to my present address, making a presentation that the new correspondence address was accepted.

We conducted phone calls during which you made presentations that I am accepted as the representative party of this file.

As you handled the file throughout numerous operations that include clear indications and statements that the file is presented by myself and you made full representations of working with these conditions I would expect that this situation will continue without further disturbances.

The PTO/SB/82 (05-03) form is provided here to cover any formality that might have been missed and presented as not required for so long.

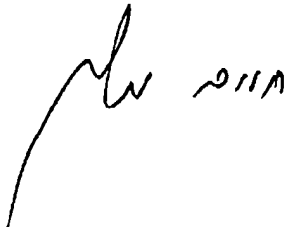

The June 5, 2003 letter from Welsh & Flaxman in this matter, that arrived to me today, is attached here. Please add it to the application file.

If you have any response, action, information or notice regarding this file that I should be aware of please notify me ASAP. It will be assumed, otherwise, that the appeal will be submitted to the appeal committee without any further delays.

My email address is provided here to enable fast and simple way to deliver any such information: [haim@infobit.com](mailto:haim@infobit.com).

Sincerely,

Haim Melman / Inventor.

APPARATUS AND METHOD FOR SEARCH  
AND RETRIEVAL OF DOCUMENTS

Dear Mr. Melman:

We have been contacted by Examiner S. Al Alam regarding the above-referenced patent application. Briefly, Examiner Alam has realized that you are not an attorney. As such, he is not at liberty to speak/correspond with you regarding this application any longer because that would constitute dual representation since according to Patent Office records, you are represented by a law firm listed in the case.

Basically, Examiner Alam explained that the Change of Address that you filed August 23, 2002 was entered in error, and that is why you received the Office Actions of October 24, 2002 and February 10, 2003. Somehow (which I don't understand) my name is still listed as attorney of record in this file from way back when you were represented by Eitan Pearl.

Since I do not and have never represented you in this matter, I suggest you contact Eitan Pearl in order to get this resolved. Please be advised that the Examiner has indicated to me that he will not extend the period of response. As such, a proper Appeal Brief is due by July 2, 2003, with a two month extension of time otherwise your case will be abandoned.

At this time we are filing a Withdrawal to remove my name from the file.

Sincerely,

  
John L. Welsh
